

Cardiovascular Surgery Practice Opportunity

Join Northeastern Ontario's healthcare leader

Health Sciences North ([HSN](#)) is recruiting health care professionals who have a keen interest in affecting change within its dynamic health care system. As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents.

HSN is seeking an energetic and dedicated Cardiovascular Surgeon to maintain a team of four surgeons. The team is searching for a candidate who has an enthusiastic approach to quality patient care, undergraduate/postgraduate education, and possibly active clinical research. The new candidate will share 1-in 3-call responsibilities and ensure seamless coverage for the region.

Why choose HSN?

- Vast scope and broad spectrum of cases
- Dynamic team of over 600 credentialed medical staff
- Greater Sudbury is a natural paradise with activities to enjoy all year-round
- Attractive financial incentives for full-time practicing physicians

Candidates must be eligible for independent licensure in Ontario, and have obtained or be eligible to obtain specialty qualification from the Royal College of Physicians and Surgeons of Canada. US trained applicants will also be considered. The successful candidate will benefit from remuneration based on Fee-for-Service billings, as well as an on-call stipend, and financial incentives for working in Northern Ontario.

The successful applicant will be encouraged to obtain a faculty appointment with NOSM-University ([NOSM-U](#)) and support the academic mandate of the Department of Surgical Subspecialties. Research opportunities are also available through the Health Sciences North Research Institute ([HSNRI](#)).

If you are currently practicing or within one year of graduating, and are interested in opportunities in Sudbury, the Ministry of Health's [Community Assessment Visit Program](#) will cover travel and accommodation expenses for candidates and their spouse to explore our practice opportunity and the City of Greater Sudbury.

Come discover Sudbury's exceptional quality of life, abundant lakes, parklands and extensive recreational opportunities! Sudbury is a bilingual and multicultural community, and offers a variety of excellent elementary, secondary, and post-secondary education institutions.

Interested individuals are invited to send a Letter of Interest and CV to the Medical Affairs
