

Emergency Medicine Practice Opportunities

Join Northeastern Ontario's health care leader

Health Sciences North/Horizon Santé-Nord ([HSN](#)) is recruiting health care professionals who have a keen interest in effecting change within its dynamic health care system. As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents.

The Emergency Medicine Department at HSN is seeking full-time Emergency Medicine Physicians. With nearly 65,000 high acuity visits per year, our ED is amongst the busiest in Ontario. All levels of undergraduate and postgraduate medical learners from the Northern Ontario School of Medicine (NOSM) learn from our dedicated faculty; our CCFP(EM) residency is one of the largest in the country. The land and air EMS system for Northeastern Ontario is based in Sudbury. Our ED is nationally recognized as a centre of excellence in teaching and performing bedside ED Echo (EDE).

HSN invites inquiries from CCFP(EM), FRCP(EM) certified or practice eligible candidates. We offer an attractive Alternate Funding Plan (AFP) as well as provincial incentives. Locum opportunities are also available, with reimbursement of travel and accommodation through Ontario Health's NSLP Respite Program.

All physicians are required to seek academic appointment at the Northern Ontario School of Medicine ([NOSM](#)), and become involved in teaching undergraduate and postgraduate trainees. Research opportunities are also available with HSN's affiliated research institute, [HSNRI](#).

If you are currently practicing or within one year of graduating, and are interested in opportunities in Sudbury, the Ministry of Health's [Community Assessment Program](#) will cover travel and accommodation expenses for both you and your spouse to come and explore the practice opportunity and the City of Greater Sudbury.

Come discover Sudbury's exceptional quality of life, abundant lakes, parklands, and extensive recreational opportunities! Sudbury is a bilingual community, and offers a variety of excellent elementary, secondary, and post-secondary education institutions. Physicians who practice full-time in Sudbury are eligible for attractive financial incentives.

Interested individuals should send a letter of interest and CV to the Medical Affairs office, by e-mail to medcareers@hsnsudbury.ca or by fax to 705-523-7041. HSN thanks all applicants, but only those selected for an interview will be contacted.
