

General Internal Medicine Practice Opportunities

Join Northeastern Ontario's health care leader

Health Sciences North/Horizon Santé-Nord ([HSN](#)) is recruiting health care professionals who have a keen interest in affecting change within its dynamic health care system. As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents.

The Department of Medicine is building its team to support its academic mission with the Northern Ontario School of Medicine (NOSM). Members of the team function as Fee-for Service consultants with compensation directly from OHIP billings. We are currently recruiting one full-time General Internists to start as soon as possible. The available practice opportunity is a share in Clinical Teaching Unit (CTU) weeks, a share in inpatient general internal medicine consult service weeks, and the expectation of setting up a private office.

The Department is currently recruiting to have a full complement of nine general internists. Medicine call is also supported by other internal medicine subspecialties with a current commitment of around one in fifteen.

Candidates must be eligible for independent licensure in Ontario and have obtained or be eligible to obtain speciality qualifications from the Royal College of Physicians and Surgeons of Canada. Subspecialty qualification in General Internal Medicine will be considered an asset for recent graduates.

Successful candidates are required to seek faculty appointment at the Northern Ontario School of Medicine ([NOSM](#)), and will participate in both undergraduate and postgraduate teaching. Research opportunities are also available with HSN's research institute, [HSNRI](#).

If you are currently practicing or within one year of graduating, and are interested in opportunities in Sudbury, the Ministry of Health's [Community Assessment Program](#) will cover travel and accommodation expenses for both you and your spouse to come explore the practice opportunity and the City of Greater Sudbury.

Come discover Sudbury's exceptional quality of life, abundant lakes, parklands, and extensive recreational opportunities! Sudbury is a bilingual community, and offers a variety of excellent elementary, secondary, and post-secondary education institutions. Physicians who practice full –time in Sudbury are eligible for attractive financial incentives.

Interested individuals should send a letter of interest and CV to the Medical and Academic Affairs office, by e-mail to medcareers@hsnsudbury.ca or by fax to 705-523-7041. HSN thanks all applicants but only those selected for an interview will be contacted.
