

# Infectious Diseases Practice Opportunities

## Join Northeastern Ontario's healthcare leader

Health Sciences North ([HSN](#)) is recruiting health care professionals who have a keen interest in affecting change within its dynamic health care system. As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents.

**HSN is seeking energetic and dedicated Adult Infectious Diseases physicians** to establish broad scope ID practices. Successful candidates will provide both hospital based and community consultative and concurrent care services for patients with a broad array of infectious diseases including a fully supported HIV clinic. ID physicians are contributing members of the Department of Medicine and provide clinical teaching to core Internal Medicine residency through the NOSM University Residency Training Program.

### Why choose HSN?

- Vast scope and broad spectrum of cases
- Dynamic team of over 600 credentialed medical staff
- Greater Sudbury is a natural paradise with activities to enjoy all year-round
- Attractive financial incentives for full-time practicing physicians

Candidates must be eligible for licensure in Ontario and have obtained or be eligible to obtain specialty qualifications from the Royal College of Physicians and Surgeons of Canada.

The successful applicant will be expected to obtain academic appointment with the Northern Ontario School of Medicine University ([NOSM-U](#)) and support the academic mandate of the Department of Medicine. Research opportunities are also available through the Health Sciences North Research Institute ([HSNRI](#)).

If you are currently practicing or within one year of graduating, and are interested in opportunities in Sudbury, the Ministry of Health's [Community Assessment Visit Program](#) will cover travel and accommodation expenses for both you and your spouse to come explore our practice opportunity and the City of Greater Sudbury.

Come discover Sudbury's exceptional quality of life, abundant lakes, parklands and extensive recreational opportunities! Sudbury is a bilingual and multicultural community, and offers a variety of excellent elementary, secondary, and post-secondary education institutions. Physicians who practice full-time in Sudbury are eligible for attractive financial incentives.

Interested individuals are invited to send a Letter of Interest and CV to the Medical Affairs Office: [medcareers@hsnsudbury.ca](mailto:medcareers@hsnsudbury.ca)

HSN thanks all applicants, but only those selected for an interview will be contacted.
