Obstetrics/Gynecology Practice Opportunities
Join Northeastern Ontario’s health care leader

The Department of Obstetrics/Gynecology at Health Sciences North (HSN) is actively recruiting permanent full-time Obstetricians. Candidates who have a keen interest in affecting change within our dynamic health care system are encouraged to apply.

As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents. The Department’s current complement of 7 share 24 hour call and perform almost 2,000 deliveries per year. HSN offers a wide range of gynecologic and urologic care with full access to laparoscopic equipment, urodynamic testing and a new fleet of video ureteroscopes and video cystoscopies.

The successful candidate will have opportunity to participate in our well established outpatient laparoscopic hysterectomy program and a busy generalist Ob/Gyn practice. The ideal candidate would have a keen research or academic interest.

Candidates must be eligible for licensure in Ontario, and have obtained or be eligible to obtain specialty qualification from the Royal College of Physicians and Surgeons of Canada. Locum opportunities are also available with funding through the Northern Specialist Locum Programs (NSLP) via Health Force Ontario.

All physicians at HSN are required to seek academic appointment at the Northern Ontario School of Medicine (NOSM), and become involved in teaching undergraduate and postgraduate trainees. Research opportunities are also available if desired with the Health Sciences North Research Institute (HSNRI).

Sudbury offers an exceptional quality of life, abundant lakes, parklands, and extensive recreational opportunities. Sudbury is a multicultural community that offers excellent elementary, secondary, and post-secondary educational institutions.

If you are currently practicing or are within one year of graduation, the Ministry of Health Community Assessment Program will cover travel and accommodation expenses for you (and your partner) to come and explore this practice opportunity and the City of Greater Sudbury.

Interested individuals are invited to send a Letter of Interest and CV to the Medical Affairs Office: medcareers@hsnsudbury.ca

HSN thanks all applicants, but only those selected for an interview will be contacted.
