

Health Sciences North (HSN) Sudbury, Northern Ontario

Pediatric Practice Opportunities

Join Northeastern Ontario's health care leader

Health Sciences North/Horizon Santé-Nord (HSN) is recruiting health care professionals who have a keen interest in affecting change within its dynamic health care system. As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents.

The Department of Pediatrics is actively seeking Royal College certified General Pediatricians to join their team at the Northeastern Ontario Health Centre for Kids (NEO Kids). NEO Kids became a vital part of HSN in 2014 and is home to over 20 specialized outpatient clinics and services. NEO Kids is Northeastern Ontario's hub for specialized children's care comprising of Pediatricians, health care professionals including but not limited to: registered practical nurses, speech language pathologists, physiotherapists, and administrative staff. The NEO Kids Foundation (NKF) was launched in November 2015, with a mission to advocate for healthier children in the North raising funds for children's services, equipment and research at HSN.

The Department's current complement of 10 Pediatricians staff regional programs in diabetes, cystic fibrosis, Autism testing, spasticity, neonatal follow-up, and oncology. The neonatal unit provides intensive care to newborns and has a 10-12 bed capacity. HSN manages babies with a gestation of 29 weeks and above, and serves as a level 2C consulting pediatric centre for the districts of Sudbury and Manitoulin.

Candidates must be eligible for licensure in Ontario and have obtained or be eligible to obtain speciality qualifications from the Royal College of Physicians and Surgeons of Canada. We have a strong interest in academic work and welcome applicants with a strong academic background. All physicians are required to seek academic appointment at the Northern Ontario School of Medicine (NOSM), and become involved in teaching undergraduate and postgraduate trainees. Research opportunities are also available with HSN's research institute, HSNRI.

If you are currently practicing or within one year of graduating, and are interested in opportunities in Sudbury, the Ministry of Health's [Community Assessment Visit Program](#) will cover travel and accommodation expenses for both you and your spouse to come explore the practice opportunity in Sudbury.

Come discover Sudbury's exceptional quality of life, abundant lakes, parklands, and extensive recreational opportunities! Sudbury is a bilingual community, and offers a variety of excellent elementary, secondary, and post-secondary educational institutions. Physicians who practice full-time in Sudbury are eligible for attractive financial incentives.

Interested individuals should send a letter of interest and CV to the Medical Affairs office, by e-mail to: medcareers@hsnsudbury.ca.

HSN thanks all applicants, only those selected for an interview will be contacted.
