

Health Sciences North (HSN)

Full-Time Adult Benign Hematologist Opportunity

Health Sciences North (HSN) is recruiting a dedicated and motivated **Adult Hematologist with a focus on benign (non-malignant) hematology** to join our growing Department of Medicine. As the tertiary referral centre for all of Northeastern Ontario, serving a catchment population of over 600,000 residents, HSN provides a broad and varied practice environment with meaningful impact.

What the Position Involves

- Delivering comprehensive inpatient and outpatient care for a broad range of benign hematologic conditions, including anemia, coagulation disorders, hemoglobinopathies (such as sickle cell disease and thalassemia), bleeding disorders, thrombophilia, and transfusion-related needs.
- Participating in HSN's fully supported Hemoglobinopathy and Thrombosis clinics.
- Collaborating closely with HSN's advanced laboratory services - hematology, transfusion medicine, flow cytometry, cytogenetics, and molecular diagnostics to support high-quality patient care.
- Working within a dynamic, multidisciplinary team to provide consultative services across the hospital and broader community.
- Obtaining a faculty appointment with the Northern Ontario School of Medicine University (NOSM-U) and contributing to the academic mission of the Department of Medicine.
- Engaging in research opportunities available through the Health Sciences North Research Institute (HSNRI).

Why choose HSN / Sudbury

- Broad clinical exposure — as the regional tertiary care centre, HSN offers diverse and challenging cases in benign hematology.
- Exceptional support and resources — comprehensive diagnostic and laboratory infrastructure enables high-quality care.
- Quality of life in Sudbury — enjoy abundant natural surroundings, lakes, parks, and year-round recreational activities in a bilingual, multicultural community.
- Attractive financial incentives — physicians practicing full-time in Sudbury are eligible for financial incentives designed to support recruitment and retention.

Candidate requirements / ideal profile

- Eligible for licensure in Ontario.
- Specialty qualification in Internal Medicine and Hematology from the Royal College of Physicians and Surgeons of Canada, or equivalent.
- Obtain faculty appointment with NOSM-University and participate in advancing the academic mandate of the Department of Medicine.

How to apply

Interested individuals are invited to submit a Letter of Interest and CV to the Medical Affairs Office: medcareers@hsnsudbury.ca
HSN thanks all applicants, but only those selected for an interview will be contacted.
