

Health Sciences North (HSN) Full-Time Physiatrist Opportunity

Health Sciences North (HSN) is seeking a dedicated Physiatrist to join our Department of Medicine. As the tertiary referral centre for Northeastern Ontario, serving a population of over 600,000 residents in the region, HSN offers a broad, stimulating practice environment with the ability to make a regional impact.

Position Overview

- Provide comprehensive outpatient physiatry care across neurological, musculoskeletal, amputee, pain, and complex medical populations.
- Participate in HSN's 30-bed Inpatient Rehabilitation Unit (IRU) for patients with stroke, spinal cord injury, brain injury, orthopaedic trauma, amputation, and complex functional impairments.
- Contribute to specialized outpatient programs: Neurological Rehab, Brain Injury Rehab, Prosthetics/Orthotics, Seating & Mobility, WSIB Specialty Clinics, Physiotherapy, Hand & Upper Limb Rehab, Chronic Pain Program, Assisted Communication Clinic, Cardiac & Pulmonary Rehab.
- Opportunity to perform and interpret EMG/NCS testing.
- Work collaboratively in an interdisciplinary team and provide consultative services across hospital programs and clinics.
- Obtain a faculty appointment with Northern Ontario School of Medicine (NOSM-U) and participate in teaching, mentorship, and research opportunities through the HSN Research Institute (HSNRI).
- Compensation is provided through direct fee-for-service billings to the Ontario Health Insurance Plan (OHIP).

Why Choose HSN / Sudbury

- Broad clinical exposure to complex inpatient and outpatient physiatry cases.
- Strong interdisciplinary and technical support, including advanced therapy teams, mobility/seating specialists, prosthetics/orthotics, and diagnostic/rehabilitation infrastructure.
- High quality of life with natural beauty, outdoor recreation, cultural activities, and a welcoming bilingual community.
- Attractive recruitment and retention incentives for full-time physicians.

Candidate Requirements

- Eligible for licensure in Ontario.
- Certified in Physical Medicine & Rehabilitation (FRCPC or American Board).
- Interest in outpatient physiatry and inpatient rehabilitation, including participation in the Inpatient Rehabilitation Unit.
- Skills in performing/interpreting EMG/NCS studies (considered an asset but not required)
- Commitment to teamwork, patient-centered care, and clinical excellence.

How to Apply

Submit a Letter of Interest and CV to: medcareers@hsnsudbury.ca HSN thanks all applicants; only those selected for an interview will be contacted.
