

Radiology Practice Opportunities

Join Northeastern Ontario's healthcare leader

Health Sciences North ([HSN](#)) is recruiting health care professionals who have a keen interest in effecting change within its dynamic health care system. As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents.

The Department of Medical Imaging at Health Sciences North is currently recruiting a Radiologist with fellowship training in Diagnostic Neuroradiology. The Department offers flexibility in scheduling, a medically diverse environment, and an opportunity for great personal and professional growth.

The Medical Imaging Department at HSN uses state of the art equipment to perform both diagnostic and interventional procedures, allowing patients of Northeastern Ontario access closer to home.

Diagnostic Neuroradiology: HSN has a large neuroradiology practice with 15,000 brain, head & neck and spine CTs and 10,000 MRI performed each year on both our 1.5T and 3T Siemens VIDA scanners. HSN is a regional stroke center with an EVT program on site.

Why choose HSN?

- Vast scope and broad spectrum of cases
- Dynamic team of over 600 credentialed medical staff
- Greater Sudbury is a natural paradise with activities to enjoy all year-round
- Attractive financial incentives for full-time practicing physicians

Candidates must be eligible for licensure in Ontario and have obtained or be eligible to obtain speciality qualifications from the Royal College of Physicians and Surgeons of Canada. Candidates eligible for restricted licensure and/or international applicants will be considered on a case-by-case basis.

The successful applicant will be expected to obtain academic appointment with NOSM-University ([NOSM-U](#)) and support the academic mandate of the Department of Medical Imaging. Research opportunities are also available through the Health Sciences North Research Institute ([HSNRI](#)).

If you are currently practicing or within one year of graduating, and are interested in opportunities in Sudbury, the Ministry of Health's [Community Assessment Visit Program](#) will cover travel and accommodation expenses for both you and your spouse to come explore our practice opportunity and the City of Greater Sudbury.

Come discover Sudbury's exceptional quality of life, abundant lakes, parklands and extensive recreational opportunities! Sudbury is a bilingual and multicultural community, and offers a variety of excellent elementary, secondary, and post-secondary education institutions. Physicians who practice fulltime in Sudbury are eligible for attractive financial incentives.

Interested individuals are invited to send a Letter of Interest and CV to the Medical Affairs Office: medcareers@hsnsudbury.ca HSN thanks all applicants, but only those selected for an interview will be contacted.
